You all know that the above calendar was given in June 2009 for 2009-2010 II Semester. But in view of floods the first semester examinations are postponed and hence the class work for second semester started from 7<sup>th</sup> December. Therefore the Pongal recess proposed in the above has been modified and revised calendar was given below.

19-04-2010 to 01-05-2010	End Examinations

**Starting of next Academic Year : 14-06-2010**

Here also we have 17 weeks of working. Prior to 2009 Academic Year the semester used to have only 16 working weeks. Due to recent disturbances some class work might have been lost. Hence all the Principals are requested in the circular dated 06/01/2010 to conduct extra classes during weekends and extra hours during week days if necessary.

**This way we can see that the Schedule of the Academic Year will not be disturbed.**

**All the Principals and other concerned persons are requested to cooperate.**
