- Others

**Faculty coordinator:** Dr. D.V.Naga Raju

**Student coordinator:** Ms. P. Hema Pavani

As part of the various events planned by the MHRD, the IIC cell of Shri Vishnu Engineering College for Women conducted the "**Field Visit and Idea Competition**" for the students of Shri Vishnu Engineering College for Women during 21st - 23rd February 2019. Total 54 teams, each team consists of 4 members presented their innovative ideas. Total 216 Students from various departments actively participated in the event.

The event was conducted in three phases.

In round 1(21.02.19) a boot camp was organized to create awareness among the students. The boot camp is aimed at inculcating the culture of innovation and entrepreneurship among the students.

In round two (22.02.10), students were taken out for field visits. The college is located in the area where the predominant occupation of the people is paddy culture and aqua culture; our students visited the fields and aqua ponds. We also visited the municipal corporation and health care centers in our town to understand their problems.

In round three (23.02.19), students presented their ideas in the form of poster presentation.

Field Visit to Kovvada Village
